I am a UK taxpayer and I would like the Care Workers Charity to treat all donations I have made for the four years prior to this year and all donations I make in future as Gift Aid donations, until I notify you otherwise.

I understand that I must pay Income Tax and/or Capital Gains Tax for each tax year, that is at least equal to the amount that the Care Workers Charity will reclaim on my gifts for that tax year.

Thank you for fundraising for the Care Workers Charity - we will use the money you raise to help current, former and retired care workers that are experiencing hardship.

Make your donations go all the way!

Remind your sponsors to tick the Gift Aid box when they fill the sponsorship form. This means that CWC can claim back the basic rate tax paid by your sponsors on their donation, which is 25p for every £1 given. It doesn't cost you or your sponsor anything, but it makes your donation worth 25% more to us.

To help us claim your Gift Aid:

- Please do not fill the form on behalf of your sponsors.
- Please ask your sponsors to complete the form in ligible handwriting.
- Your sponsors must fill in their home address. We cannot claim Gift Aid on work addresses.
- Unfortunately Gift Aid does not count towards your individual fundraising total, but it does help CWC as a whole.

Every £1 of your donation could be worth an extra 25p at no cost to you.

Fill out your **home address** details and **tick the gift aid box** below and we'll be able to claim back the tax from your donation.

By ticking the gift aid box you agree for Dreams Come True to claim Gift Aid on this donation. You must pay an amount of UK Income Tax and/or Capital Gains Tax that is at least equal to the amount of tax that can be claimed on all of your charitable donations for the tax year.
